

EXECUTIVE PROJECT PROGRAMME

Contract Administration and Commercial Project Management

PROGRAMME FORMAT

Course duration: Not stated

Course Fee: Not stated

INTRODUCTION

Course overview

Contract Administration and Commercial Project Management equips professionals with the knowledge and practical skills required to effectively manage contracts and the commercial aspects of projects from initiation through completion. The course focuses on contract interpretation, administration, procurement, cost control, claims management, variations, negotiation, compliance, and commercial risk management to support successful project delivery and organisational value.

THE PROJECT DELIVERY JOURNEY

COURSE OBJECTIVES

Learning objectives

By the end of the programme, participants will be able to:

01

BUILD THE FOUNDATION

- Understand key principles of contract administration and commercial project management.
- Interpret contractual terms, obligations, rights, and responsibilities.
- Manage contracts effectively throughout the project lifecycle.

02

APPLY THE DISCIPLINE

- Monitor project costs, budgets, payments, and commercial performance.
- Identify and manage contractual and commercial risks.
- Handle variations, extensions of time, claims, and disputes effectively.

03

SUPPORT BETTER DECISIONS

- Strengthen contract negotiation and stakeholder management skills.
- Improve commercial decision-making and project profitability.

TRAINING METHODOLOGY

Training approach

The training combines expert-led presentations, practical contract administration exercises, case studies, contract review activities, commercial scenarios, group discussions, negotiation simulations, and real-world project examples.

● Expert-led presentations

● Practical contract administration exercises

● Case studies

● Contract review activities

● Commercial scenarios

● Group discussions

● Negotiation simulations

● Real-world project examples

Participants will apply practical tools and techniques to common contractual and commercial challenges.
