

EXECUTIVE LEADERSHIP PROGRAMME

Executive Decision-Making and Strategic Problem Solving

PROGRAMME FORMAT

Course duration: Not stated

Course Fee: Not stated

INTRODUCTION

Course overview

This executive-level course equips leaders and professionals with the practical skills required to make sound decisions, solve complex business problems, and respond effectively to changing organisational environments. Participants will learn structured approaches for analysing information, evaluating alternatives, managing risks, and turning strategic challenges into practical business solutions.

THE STRATEGIC LEADERSHIP JOURNEY

COURSE OBJECTIVES

Learning objectives

By the end of the programme, participants will be able to:

01

BUILD THE FOUNDATION

- Apply structured decision-making frameworks to complex business situations.
- Identify root causes of organisational and operational problems.
- Analyse information and evaluate strategic alternatives effectively.

02

APPLY THE DISCIPLINE

- Assess risks, opportunities, and potential business consequences.
- Develop practical and sustainable solutions to business challenges.
- Improve strategic thinking, judgement, and executive problem-solving skills.

03

SUPPORT BETTER DECISIONS

- Make timely, evidence-based decisions that support organisational performance.

TRAINING METHODOLOGY

Training approach

The training combines executive presentations, practical case studies, group discussions, problem-solving exercises, business scenarios, interactive workshops, and facilitated strategic decision-making sessions.

● Executive presentations

● Practical case studies

● Group discussions

● Problem-solving exercises

● Business scenarios

● Interactive workshops

● Facilitated strategic decision-making sessions

Participants will be encouraged to apply the tools and techniques directly to real-world organisational challenges.

TRAINING BENEFITS

Training benefits

BENEFITS 01

- Make faster, clearer, and more confident executive decisions.
- Solve complex problems using structured analytical techniques.
- Improve critical thinking and strategic judgement.
- Reduce decision-making risks and costly errors.

BENEFITS 02

- Develop practical solutions aligned with organisational objectives.
- Strengthen leadership effectiveness and business performance.
- Manage uncertainty and respond effectively to emerging challenges.
- Participants will leave with practical frameworks and tools for making better strategic decisions, solving complex business problems, and translating executive judgement into measurable organisational results.
