

EXECUTIVE LEADERSHIP PROGRAMME

Executive Leadership for Sustainable Organizational Performance

PROGRAMME FORMAT

Course duration: Not stated

Course Fee: Not stated

INTRODUCTION

Course overview

This course equips executives, managers, and emerging leaders with the strategic leadership capabilities required to drive sustainable organizational performance. It focuses on effective decision-making, organizational alignment, performance management, innovation, governance, and long-term business sustainability.

THE STRATEGIC LEADERSHIP JOURNEY

COURSE OBJECTIVES

Learning objectives

By the end of the programme, participants will be able to:

01

BUILD THE FOUNDATION

- Develop effective executive leadership and decision-making skills.
- Align organizational strategy with business objectives and performance.
- Strengthen governance, accountability, and leadership effectiveness.

02

APPLY THE DISCIPLINE

- Improve employee engagement, productivity, and organizational culture.
- Apply performance management tools for sustainable results.
- Lead organizational change, innovation, and continuous improvement.

03

SUPPORT BETTER DECISIONS

- Develop strategies for long-term organizational growth and sustainability.

TRAINING METHODOLOGY

Training approach

The training combines:

- Interactive presentations and facilitated discussions
- Executive case studies and practical business scenarios
- Group exercises and strategic problem-solving
- Leadership simulations and role plays
- Practical tools, frameworks, and templates
- Peer learning and experience sharing
- Action planning for workplace application
