

EXECUTIVE LEADERSHIP PROGRAMME

Leading Innovation and Business Growth Strategies

PROGRAMME FORMAT

Course duration: Not stated

Course Fee: Not stated

INTRODUCTION

Course overview

This course equips business leaders and professionals with practical strategies for driving innovation, improving competitiveness, and achieving sustainable business growth. Participants will learn how to identify opportunities, develop innovative solutions, strengthen business models, and turn strategic ideas into measurable business results.

THE STRATEGIC LEADERSHIP JOURNEY

COURSE OBJECTIVES

Learning objectives

By the end of the programme, participants will be able to:

01

BUILD THE FOUNDATION

- Understand the principles and drivers of business innovation.
- Identify new opportunities for growth and market expansion.
- Develop effective business growth and innovation strategies.

02

APPLY THE DISCIPLINE

- Strengthen strategic thinking and decision-making capabilities.
- Build innovative products, services, and business models.
- Manage change and overcome barriers to innovation.

03

SUPPORT BETTER DECISIONS

- Translate innovation initiatives into sustainable business performance.

TRAINING METHODOLOGY

Training approach

The training uses a practical and interactive approach combining:

- Facilitator-led presentations and discussions

- Group exercises and strategic problem-solving

- Practical assignments and business simulations

- Business case studies and real-world examples

- Innovation workshops and brainstorming sessions

- Peer learning and experience sharing
