

EXECUTIVE HUMAN CAPITAL PROGRAMME

Learning and Development Strategy Design

PROGRAMME FORMAT

Course duration: Not stated

Course Fee: Not stated

INTRODUCTION

Course overview

Learning and Development Strategy Design equips HR professionals, managers, and organisational leaders with the knowledge and practical skills required to design effective learning programmes that build workforce capabilities and support organisational objectives. The course focuses on learning needs analysis, programme design, employee development, performance improvement, learning technologies, and measuring the impact of learning and development initiatives.

THE HUMAN CAPITAL JOURNEY

COURSE OBJECTIVES

Learning objectives

By the end of the programme, participants will be able to:

01

BUILD THE FOUNDATION

- Understand the principles of strategic learning and development.
- Conduct effective training needs and skills-gap assessments.
- Align learning initiatives with organisational strategy and business objectives.

02

APPLY THE DISCIPLINE

- Design structured employee development programmes.
- Develop effective learning plans, curricula, and delivery approaches.
- Apply modern learning technologies and blended learning methods.

03

SUPPORT BETTER DECISIONS

- Evaluate training effectiveness and return on learning investment.
- Build sustainable learning cultures within organisations.

TRAINING METHODOLOGY

Training approach

The training combines expert-led presentations, practical learning design exercises, case studies, group discussions, training needs analysis activities, programme development workshops, and real-world organisational scenarios.

● Expert-led presentations

● Practical learning design exercises

● Case studies

● Group discussions

● Training needs analysis activities

● Programme development workshops

● Real-world organisational scenarios

Participants will develop practical learning and development strategies that can be adapted to their organisations.

TRAINING BENEFITS

Training benefits
