

EXECUTIVE HUMAN CAPITAL PROGRAMME

Performance Management and Competency Development

PROGRAMME FORMAT

Course duration: Not stated

Course Fee: Not stated

INTRODUCTION

Course overview

Performance Management and Competency Development equips HR professionals, managers, and business leaders with practical strategies for improving employee performance and developing organisational capabilities. The course focuses on performance planning, competency assessment, goal setting, feedback, coaching, performance measurement, and targeted development initiatives aligned with organisational objectives.

THE HUMAN CAPITAL JOURNEY

COURSE OBJECTIVES

Learning objectives

By the end of the programme, participants will be able to:

01

BUILD THE FOUNDATION

- Understand the principles and strategic importance of performance management.
- Develop effective employee performance management frameworks.
- Set clear, measurable, and business-aligned performance objectives.

02

APPLY THE DISCIPLINE

- Identify and assess employee competencies and capability gaps.
- Conduct effective performance reviews and provide constructive feedback.
- Apply coaching and development strategies to improve employee performance.

03

SUPPORT BETTER DECISIONS

- Link employee competencies and performance to organisational goals.
- Develop practical approaches for managing underperformance and recognising high performance.

TRAINING METHODOLOGY

Training approach

The training combines expert-led presentations, practical exercises, competency assessment activities, performance management case studies, group discussions, role plays, coaching scenarios, and real-world workplace examples.

● Expert-led presentations

● Practical exercises
