

EXECUTIVE PROJECT PROGRAMME

Project Governance and Stakeholder Engagement

PROGRAMME FORMAT

Course duration: Not stated

Course Fee: Not stated

INTRODUCTION

Course overview

Project Governance and Stakeholder Engagement is designed to equip project professionals and organisational leaders with the knowledge and practical skills required to establish effective project governance structures and build productive stakeholder relationships. The course focuses on accountability, decision-making, communication, stakeholder alignment, risk oversight, and governance practices that support successful project delivery.

THE PROJECT DELIVERY JOURNEY

COURSE OBJECTIVES

Learning objectives

By the end of the programme, participants will be able to:

01

BUILD THE FOUNDATION

- Understand the principles and frameworks of effective project governance.
- Establish clear project roles, responsibilities, authority, and accountability.
- Develop effective governance structures and decision-making processes.

02

APPLY THE DISCIPLINE

- Identify, analyse, and prioritise project stakeholders.
- Develop effective stakeholder engagement and communication strategies.
- Manage stakeholder expectations, interests, conflicts, and concerns.

03

SUPPORT BETTER DECISIONS

- Strengthen transparency, accountability, and project oversight.
- Improve stakeholder support and organisational alignment throughout the project lifecycle.

TRAINING METHODOLOGY

Training approach

The training combines expert-led presentations, practical exercises, stakeholder mapping activities, governance case studies, group discussions, communication simulations, and scenario-based learning.

● Expert-led presentations

● Practical exercises

● Stakeholder mapping activities

● Governance case studies

● Group discussions

● Communication simulations

● Scenario-based learning

Participants will apply governance and stakeholder engagement tools to realistic project situations.

TRAINING BENEFITS

Training benefits

BENEFITS 01
