

EXECUTIVE FINANCE PROGRAMME

Strategic Financial Management for Business Leaders

PROGRAMME FORMAT

Course duration: Not stated

Course Fee: Not stated

INTRODUCTION

Course overview

Strategic Financial Management for Business Leaders is designed to equip managers and business executives with the financial knowledge and strategic skills required to make sound business decisions. The course focuses on financial planning, investment decisions, risk management, performance analysis, and the effective use of financial information to drive sustainable business growth and profitability.

THE FINANCE LEARNING JOURNEY

COURSE OBJECTIVES

Learning objectives

By the end of the programme, participants will be able to:

01

BUILD THE FOUNDATION

- Understand key principles of strategic financial management and corporate finance.
- Analyse financial statements and interpret key financial performance indicators.

02

APPLY THE DISCIPLINE

- Develop effective financial plans, budgets, and investment strategies.
- Evaluate business investments and financing options.

03

SUPPORT BETTER DECISIONS

- Manage financial risks and improve financial decision-making.
- Apply financial insights to support business growth, profitability, and long-term sustainability.

TRAINING METHODOLOGY

Training approach

The training adopts a practical and interactive approach combining facilitator-led presentations, real-life business case studies, financial analysis exercises, group discussions, practical scenarios, and decision-making activities.

● Facilitator-led presentations

● Real-life business case studies
