

EXECUTIVE HUMAN CAPITAL PROGRAMME

Strategic Human Capital Management

PROGRAMME FORMAT

Course duration: Not stated

Course Fee: Not stated

INTRODUCTION

Course overview

Strategic Human Capital Management is designed to equip business leaders, HR professionals, and managers with the knowledge and strategic capabilities required to manage people as a key driver of organisational performance. The course focuses on workforce strategy, talent optimisation, leadership, employee engagement, organisational culture, performance management, and human capital analytics to support sustainable business growth.

THE HUMAN CAPITAL JOURNEY

COURSE OBJECTIVES

Learning objectives

By the end of the programme, participants will be able to:

01

BUILD THE FOUNDATION

- Understand the principles and strategic importance of human capital management.
- Align workforce strategies with organisational goals and business priorities.
- Develop effective talent acquisition, retention, and workforce planning strategies.

02

APPLY THE DISCIPLINE

- Strengthen employee performance, engagement, and productivity.
- Build leadership and succession development frameworks.
- Manage organisational culture and employee experience effectively.

03

SUPPORT BETTER DECISIONS

- Apply human capital analytics to support evidence-based decisions.
- Develop strategies for building a high-performing and future-ready workforce.

TRAINING METHODOLOGY

Training approach

The training combines expert-led presentations, practical HR exercises, case studies, group discussions, workplace scenarios, strategic workforce planning activities, and human capital management simulations.

● Expert-led presentations

● Practical HR exercises

● Case studies

● Group discussions
