

EXECUTIVE LEADERSHIP PROGRAMME

Strategic Planning, Execution and Performance Management

PROGRAMME FORMAT

Course duration: Not stated

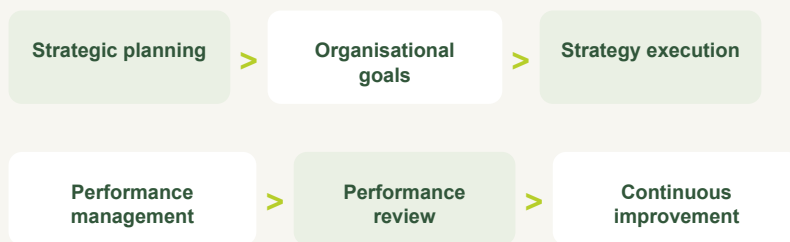

Course Fee: Not stated

INTRODUCTION

Course overview

This professional course equips participants with the knowledge and practical skills required to develop effective strategic plans, translate strategy into actionable initiatives, and manage organisational performance. It focuses on aligning leadership, resources, people, processes, and performance measures to achieve sustainable business results.

THE STRATEGIC LEADERSHIP JOURNEY

COURSE OBJECTIVES

Learning objectives

By the end of the programme, participants will be able to:

01

BUILD THE FOUNDATION

- Understand the principles and processes of strategic planning.
- Develop clear organisational goals, priorities, and strategic initiatives.
- Translate strategy into practical implementation plans.

02

APPLY THE DISCIPLINE

- Establish meaningful Key Performance Indicators (KPIs) and performance targets.
- Monitor execution, identify performance gaps, and take corrective action.
- Strengthen accountability and organisational performance.

03

SUPPORT BETTER DECISIONS

- Apply continuous improvement approaches to achieve strategic objectives.

TRAINING METHODOLOGY

Training approach

The training combines interactive presentations, practical exercises, case studies, group discussions, strategic planning workshops, simulations, and real-world business scenarios.

● Interactive presentations

● Practical exercises

● Case studies

● Group discussions

● Strategic planning workshops

● Simulations

● Real-world business scenarios

Participants will have opportunities to apply strategic management tools to their own organisational challenges.
